TRILLIUM

Introducing Trillium, an inviting seating fabric from our exclusive Tessere Collection, expertly crafted for contemporary interiors that prioritize natural materials. Composed of a high-quality blend of natural fibers, Trillium features a soft looped texture that adds a subtle, creative touch to any space.

This distinctive fabric features a specialized novelty yarn known as Bouclé, which incorporates twists and loops during the spinning process, resulting in a beautifully chunky texture. Its premium wool blend not only exudes classic mid-century charm but also seamlessly adapts to a wide range of design settings.
