

## PEBBLE

Pebble is a handsome embossed leather defined by its tight scalloped pattern and nuanced two-tone effect. Drawing from natural scales, its refined precision—achieved through expert Italian craftsmanship—also evokes the ordered elegance of roof shingles or gently layered architectural panels. The result is a beautiful leather that feels both organic and composed, where nature and design meet in perfect balance.

Presented in two timeless colorways—Grigio and Azzurro—Pebble captures the poetry of repetition, bringing depth, texture and a subtle sense of movement to any space.
