

KASURI

Jamie Stern's Kasuri is a brilliant foil-on-suede featuring a bold contrast of colors and a complex pattern inspired by Japanese woven textiles. Ideally suited for low traffic applications and decorative accent work, this article has been used to upholster everything from wall panels and throw pillows to ottomans and the backs of barstools. Its signature colorway, Black Gold, is produced on black Italian suede splits which receive a foil transfer pattern that creates a beautiful texture and a rich sense of depth while retaining a timeless, soft hand.
