

REINA STREET

Reina Street captures the carefree spirit of Jamie Stern's Twin Palms Collection with a vibrant cabana stripe inspired by the playful spirit of Palm Springs escapes. Its bold bands nod to the clean geometry of mid-century modern design, while sun-washed colors and airy patterning evoke poolside umbrellas, breezy terraces and desert horizons. At once bold and easy going, Jamie Stern's Reina Street brings the rhythm of resort living indoors—perfect for statement upholstery or subtle accents that infuse any space with joy, color, and effortless glamour.
