

JASMINE COTTON VELVET

Jasmine is an all-new upholstery velvet with a 100% cotton pile construction. Its ten distinct colorways lend any piece a sophisticated depth and luster as well as an undeniably soft hand. It has unmatched warmth and a soft hand which stem from the use of natural cotton fibers in weaving. The cotton pile yarns take dye exceptionally well, resulting in a luminous intensity of hue. As an upholstery fabric, Jasmine Velvet adds depth and definition to the shape of any piece from tight backed traditional to comfortable contemporary.
