

TOSCA

Tosca beautifully showcases our commitment to natural and sustainable fibers as it has been crafted exclusively from plant-based materials like cotton, viscose, and linen. This high-traffic seating fabric, features a blend of multicolored and textured linen frise yarns, that not only meets the demands of busy environments but also creates a subtle drama with its rich colors and texture.

As part of our renowned Tessere Collection, Tosca exemplifies innovative design suited for hospitality, commercial, and residential settings.
